My dear General,

I am so glad that my running to Delhi has borne fruit & that there are hopes of this grand sport being revived with full impetus in your hands.

Enclosed please find a letter from Grindlays Bank Ltd, Simla, addressed to you, but which was wrongly sent to Calcutta. Please send the specimen signature as requested, but direct them to get copy of the requisite resolution from the Kennel Club of India. They seem to have mixed up the G.L.I. with K.C.I.

Knowing how heavily occupied

you are, I feel it is extremely nice & sporting of you to have accepted our invitation for Presidentship of the League. Now I wish to leave no stone unturned, in making it a thundering success.

A draft notice for convening the first formal Meeting is attached for your approval. Please have it amended or altered & fill in the date, time & place to suit your convenience, & then have 100 copies printed in Delhi & send them to my address. I shall then despatch these to all old members & Hundog lovers.

Under the rules 15 days notice is necessary for a meeting.

With very best wishes

yours Sincerely

Ajait Singh
